Customs Regulatory Analyst – Southgate, MI

The **Customs Regulatory Analyst** is a subject matter expert responsible for providing timely and accurate advice to a growing and diverse client base. A strong sense of ownership and pride over principal duties is required. This role continually provides opportunities to work independently and collaboratively to achieve entire perspective results.

Here are some of the activities you will be expected to perform:

- Prioritize and respond to incoming client inquiries of a regulatory or technical nature. Willson International operates within land, air and ocean environments. Requests often require urgent or same day turnaround.
- Advise on the classification, valuation and import requirements of merchandise. Complete and accurate tariff opinions including duty rate and AD/CVD scope checks are routine. Research and advise on FDA, Agriculture or other PGA import requirements
- Vet documents to ensure compliance with CBP and all other regulatory agencies. Some examples include Powers of Attorney, USMCA Certification of Origin and other routine import documents.
- Post entry work may be required. Examples include USMCA claims, Post Summary Corrections and administrative refunds as required.
- Application or maintenance of Continuous Surety Bonds.
- Stay current with upcoming regulatory changes impacting the Willson International client base.
- Occasional travel may be required to client locations to assist in an account transition or deliver training.
- All other duties as assigned

These are the standards we look for:

- High School Diploma required. College and or University Degree in Business Administration is an asset.
- US Customs Brokers License is preferred.
- NCBFAA Certified Customs Specialist is an asset.
- Minimum five (5) years Customs Brokerage experience including two (2) years in a consulting, regulatory or similar professional services capacity.
- Strong working knowledge of CBP and PGA import requirements.
- Working knowledge of MS Office Suite of products – command of Outlook, Word and Excel is required.
- Strong communication skills – verbal and written is required.
- Problem solving, accuracy, attention to detail and analytical ability is required

These are the values that are important to us:

We believe in Learning, Growing & Adapting; Celebrating and Appreciating; Talking it Out (Communication); Owning It; and One Team. We look for people that are adaptable, enthusiastic, self-motivated, passionate, creative and team-oriented.

This is the company culture we are fostering:

At Willson, family is first, and we recognize, support and respect each employee's responsibility to his/her family. In our continued efforts to help our employees we offer:

- Medical, Dental & Supplementary Health coverage
- Company paid emergency leave days
- Company matching 401(K)
- Paid Continuing Education Courses
